

BAS CLUB MEETING - Minutes
Via Zoom
November 9, 2022

The meeting was called to order at 6:31 pm by Vice President Bill Mansfield.

There were 7 members in attendance via Zoom.

The minutes of the previous meeting were approved. This was for August, as the September and October meetings were not held for lack of availability of officers.

Secretary Ken had nothing to report, and the Treasurer was not present.

Safety Officer Bill Mansfield discussed a question about a mother and son (non-members) retrieving their aircraft, and whether the field restrictions in some areas are still in place.

Membership Chairman Chester Shans reported that we are now at 84 members versus 97 last year.

Float Fly Chairman Ken Jochim reported that Mike Morter is going to be moving next year, which means that we need to find a new location for the retrieval boat. Several options were discussed, and Ken will look into options and report next time.

The Webmaster had no report.

Old/New Business:

Bill mentioned the CU agreement payment process issue. The method of getting us a check is still in process, perhaps sending the check to Chester/the Membership chairman.

Officer elections are next month. We need to find a President candidate, and Ken will send a note to the membership requesting a volunteer.

The meeting was adjourned at 7:00 pm

Respectfully submitted,

Ken Jochim, Secretary
