

**BAS CLUB MEETING - Minutes**  
**Held on line via Zoom**  
**November 10, 2021**

The meeting was called to order at 6:30 pm by President Aidan Sesnic. There were 9 people participating on line via Zoom.

The Minutes of the October meeting were approved as posted on the website.

The Secretary had nothing to report, and the Safety Officer was not present.

Dean Ehn reported on the state of the treasury.

Float Fly Chairman Ken Jochim noted that the weather has caused the group to revert to donuts instead of flying on most Mondays.

Membership Chairman Chester Shans reported that we are still at 97 members, with 29 in the float fly group. This is 11 more than last year. We don't usually add members at this time of year.

Webmaster Mike Gulizia reported that the **B4UFLY** link is now active on the web page. Clicking on it will pull up the TFR information for the field location.

We agreed that going forward we would not post any of the local Covid rules on our webpage, as folks should be referring to the city information rather than our webpage.

Chester will update the note that goes out with the membership cards to mention that completing the TRUST program is an AMA requirement for flying at the field.

Old Business:

President Aidan Sesnic noted that the Elections of Officers will be at the December meeting. The current officers have agreed to run again, and there was also an indication that a new member might run for an office as well.

We discussed putting up a sign on the west wall of the shelter reminding folks to "check for TFR's". Chester is going to check with the sign company on pricing. He will also check on the cost of putting up a street number sign by the street. Aidan will check with Regina to verify that is ok. A motion was made and approved to spend up to \$300 on these signs.

Ken Jochim indicated that the current gutter on the shelter is beyond repair. A motion was made and approved to spend up to \$500 to have it replaced. Ken will proceed with getting it replaced and Aidan will notify Regina that we are doing so.

There was no new business.

The meeting was adjourned at 6:52 pm

Respectfully submitted,

Ken Jochim, Secretary
