

BAS CLUB MEETING - Minutes
Held on line via Zoom
September 8, 2021

The meeting was called to order at 6:30 pm by President Aidan Sesnic. There were 6 people in attendance.

The Minutes of the August meeting were approved as posted.

The Secretary had no report, nor did the Webmaster.

Float Fly Chairman Ken Jochim discussed the topic of float flying on holiday weekends.

Safety Officer Bill Mansfield had no report. Ken Jochim indicated that a number of folks have asked about TRUST and the plane retrieval video in the past month, which is a good sign.

Membership: we currently have 94 members, with 29 in the float fly group. Normally this is the point in the year where we don't add any new members until the new year.

The Treasurer reviewed the status of our finances.

Old Business:

Bill Mansfield indicated that 25 tons of gravel is tentatively scheduled to be unloaded and spread in the remaining areas at the field on Friday Sept 10. Aidan will contact the city to verify they are still ok with this work.

The situation with the weeds at the field was discussed. They are getting pretty tall and need to be cut down and sprayed. Aidan and Rich will look into getting this scheduled.

The meeting was adjourned at 6:45 pm

Respectfully submitted,

Ken Jochim, Secretary
