There were 11 members present by the end of the meeting.

A motion to approve the minutes of the previous meeting was made by Mike Gulizia. Motion passed.

Treasurer Dean Ehn reported on the state of the club finances.

Ken Jochim, Secretary and Safety Officer, presented the proposed Float Fly rules, which were previously posted as a draft on the website. Two small changes were proposed and agreed to, and Ken made a motion to accept the revised version. Motion passed. See the website for the final version. It would be agreed that they would be posted each week on the donut box.

Al Coehlo reported that membership was currently 94 members, versus 91 at the same time last year. There are 27 in the float fly special interest group. He reported that we have 15 renewals as of the meeting.

### Old Business:

Elections for new officers for 2019 were held. Nominations were discussed. It was agreed that we did not need a Vice President.

The following were nominated and/or volunteered:

Chester read a letter from Aiden regarding his vision for the club. Everyone was encouraged by his thoughts and ideas.

Al Coehlo moved that we accept the above slate of officers. Motion passed. Ken Jochim will send in the list of officers to the AMA.

A motion to adjourn was made by Murray Lull, and approved at 7:17 pm.

### Show and Tell:

Dick Myron talked about his Eagle Tree autopilot system and demonstrated its operation. Joe Boardman showed us a vintage airboat and we discussed options for converting it to electric operation.
