NEWS of the BOULDER AEROMODELING SOCIETY  
AMA Charter # 906

## January 2020 Edition

### Membership Renewal Time!

The membership renewal form for 2020 is attached to the end of this newsletter, for those of you who like to renew early!

### BAS Meeting Minutes, 12/11/2019

HobbyTown Longmont

The meeting was called to order by President Aidan Sesnic at 6:30 pm. There were 9 members present.

The minutes from the November meeting were approved.

The Treasurer reported that there were no significant changes to the account in the last month. The Secretary had nothing to report, nor did the webmaster.

Membership chairman Chester Shans noted that the membership had not changed since last month.

Safety Officer Bill Mansfield mentioned the FAA activities related to potentially requiring a knowledge test of some sort to be able to fly models in the future.

Float Fly coordinator Ken Jochim indicated that the form for boat registration had been received and will be submitted shortly. Also, the city sent out information on the Reservoir fees for boats

next year. There is some chance we may be able to get a lower rate, but if not, the regular rate has gone up substantially due to increased Invasive Species inspections and mandatory cleaning requirements.

### Old Business

Aidan reported that there is no activity currently related to additional gravel, pending resolution of the city contract.

He also reported on the ongoing discussions regarding the new contract with the city. The city is reworking some language do deal with issues we have raised. Bill Mansfield indicated that another club he is aware of had used the AMA legal folks to review their contract regarding liability clauses.

### New Business

A motion was made by Ken Jochim that we accept the slate of officers for the next year. Motion Passed. The officers for 2020 will be the same as 2019, with the addition of Bill Mansfield as Vice President.

There being no further business, Dean Ehn moved that the meeting be adjourned.

Motion passed and the meeting adjourned at 6:50 pm.

Respectfully submitted,  
Ken Jochim, Secretary

**Next Meeting 6:30 PM, Wed January 8th, at HobbyTown Longmont**

#### THE INVERTED FLYER

Editor: James Mack

The Inverted Flyer is published monthly by the Boulder Aeromodeling Society as a service to its members. Submissions for publication are encouraged and can be but are not limited to: articles pertaining to Aeromodeling, letters to the editor, short news items of general interest to BAS members, and announcements. Space permitting, all submissions will be published except as follows: no anonymous letters or

any submission containing morally objectionable content or language, as judged by the editor. Classified ads will be provided to the members of BAS free of charge. The deadline for all submissions and classified ads will be the first of the month for publication on or about the first Wednesday of the month. Opinions expressed in the Inverted Flyer are not necessarily those of the Boulder Aeromodeling Society general membership.

## **Looking for something to do this winter? How about joining us for some indoor flying?**

We fly a variety of rubber powered free flight models: Simple construction, scale, light weight long duration and, of course, gliders. We can set you up with kits, plans, supplies, whatever you need. Our simplest kits can be built on site in under an hour. We have three venues: Wheat Ridge, Colorado Springs and Manitou Springs. Shoot us an email and we'll let you know when and where we'll be flying. Thanks.
