NEWS of the BOULDER AEROMODELING SOCIETY
AMA Charter # 906

June 2018 Edition

From the Editor

Apologies for another short newsletter! But be sure to see the event calendar on the final pages of this PDF, courtesy of Mike Cross of the LAMA club by way of Chester Shans. If you have any submissions or ideas for topics to share with the club, please send them my way.

Sincerely,
James Mack

BAS Meeting Minutes, 5/9/2018

HobbyTown Longmont

The meeting was called to order by President Chester Shans at 6:30 pm.

There were 9 members present.

A motion to approve the minutes of the previous meeting was made by Al Coelho. Motion passed.

Treasurer Dean Ehn reported on the finances of the club. He mentioned the 1 year CD was cashed and placed in the checking account, and the 6 month CD, which comes due in September, will be cashed at that time.

Secretary and Safety Officer Ken Jochim reported that the city has posted a new "closure area" map at the field. A copy will be placed on the website and hopefully in this newsletter.

Al Coelho reported we currently have 71 members, with 24 float fliers.

Chester reported that we have 11 members signed up to attend the training on downed aircraft retrieval.

Chester will purchase the rough cedar and other materials needed for the shelter and work bench repairs, and Al Coelho will cut them to size. They will also be stained offsite, and then will be installed at the field with the minimum noise and disruption of the wildlife. The painting of the step in the shed with a yellow line was discussed, and it was agreed that we would look into just using yellow striped tape made for that purpose. Chester will investigate purchasing a roll.

The pricing for the Polycarbonate covering for the sign has not yet been determined.

We still need to paint the "X"s on the runway, and a work party will be scheduled to do that. Weed control was also discussed.

The picnic is scheduled for July 21. It was suggested we consider Georgia Boys for the BBQ items this year.

There will be fun fly at the event. The two events will be a timed flight and an 'egg' (or other item) drop. Ken Jochim will manage the event and acquire the materials. A gift card to Hobbytown will be awarded to the winner of each event.

Ken moved to adjourn the meeting at 7:04 pm. Motion passed.

Respectfully submitted,

Ken Jochim
Secretary

The Inverted Flyer is published monthly by the Boulder Aeromodeling Society as a service to its members. Submissions for publication are encouraged and can be but are not limited to: articles pertaining to Aeromodeling, letters to the editor, short news items of general interest to BAS members, and announcements. Space permitting, all submissions will be published except as follows: no anonymous letters or

any submission containing morally objectionable content or language, as judged by the editor. Classified ads will be provided to the members of BAS free of charge. The deadline for all submissions and classified ads will be the first of the month for publication on or about the first Wednesday of the month. Opinions expressed in the Inverted Flyer are not necessarily those of the Boulder Aeromodeling Society general membership.
