

THE INVERTED FLYER

NEWS of the BOULDER AEROMODELING SOCIETY
AMA Charter # 906

October 2018 Edition

BAS Meeting Minutes, 9/12/2018

HobbyTown USA Longmont

Meeting was called to order at 6:30 pm by President Chester Shans. There were 10 members present.

Motion to approve the Minutes from the prior meeting was made by Mike Gulizia. Approved.

The Treasurer reported on the state of the treasury. It was note that the 2nd CD has come due, and the money was taken out and put into the checking account.

There was no report from the Secretary or the Safety Officer.

Al Coelho reported that membership stood at 90, with 27 float flyers.

There was a brief discussion regarding 501c(3) organizations. No action taken.

Old Business

There was a discussion of how to go about painting the shelter. Dick Myron agreed to look into Painting companies and report back to the club. Chester agreed to provide the dimensions involved.

New Business

There was a discussion of the recent LEAF community benefit effort and whether we wanted to pursue it. There was no interest from those present to do something similar, and it was tabled for discussion in the spring.

Also discussed was the low turnout at the picnic relative to the cost and what to do in the future. No action taken at this time; we will discuss when it is time to plan the next picnic.

Motion to adjourn was made by Mike Gulizia at 7:06 pm. Approved.

Respectfully submitted,
Ken Jochim

2018 London Bridge Seaplane Classic

Submitted by Ken Jochim

Just in case you're feeling a bit glum in our November weather and looking for an excuse to get your seaplane action on, the Desert Hawks RC Club of Lake Havasu City, AZ is hosting a float fly November 9th-11th. It's RV-friendly and should be a lot of fun. For more information visit the link below.

BAS Wildlife Closure Restrictions Lifted 9/14/2018

From President Chester Shans

Vice President Murray Lull had a meeting with Boulder Parks and Recreation today and during the discussion Murray was notified that the wildlife flight restrictions at BAS field have been lifted.

I would recommend that all you take full advantage of the good weather and the more open skies for the rest of the year to get out to the field and enjoy as much flying as you can.

You can thank Murray for his initiative in contacting the City and in getting the restrictions lifted early.

Next Meeting 6:30 PM, Wed Oct 10th, at HobbyTown Longmont

THE INVERTED FLYER

Editor: James Mack

The Inverted Flyer is published monthly by the Boulder Aeromodeling Society as a service to its members. Submissions for publication are encouraged and can be but are not limited to: articles pertaining to Aeromodeling, letters to the editor, short news items of general interest to BAS members, and announcements. Space permitting, all submissions will be published except as follows: no anonymous letters or

any submission containing morally objectionable content or language, as judged by the editor. Classified ads will be provided to the members of BAS free of charge. The deadline for all submissions and classified ads will be the first of the month for publication on or about the first Wednesday of the month. Opinions expressed in the Inverted Flyer are not necessarily those of the Boulder Aeromodeling Society general membership.
