### BAS Meeting Minutes, 9/9/2020

#### On-line Zoom Meeting

The meeting was called to order at 6:32 pm by President Aidan Sesnic. There were 12 members present for the on-line video conference.

The minutes of the prior meeting were approved.

There were no reports from the Safety Officer or Secretary

Dean Ehn reported on the state of the treasury.

Chester Shans reported that there was no change in membership this month. We have 83 members, 23 of which are float fly subgroup members.

Ken Jochim noted the Float Flying is over for the year. We will still do Zoom on Monday, followed by some flying at the field if weather permits.

Aidan reported again that members should try to fly inside the road to the north of the field. Also, a request has been made to the city to be able to use the bar sprayer for weed control.

Aidan thanked Murray for overseeing the runway sealing. We will assume this needs to be done every 5 years, for the budget.

Aidan reported that Boris Sergeev passed away, and that there would be a memorial fly in on 9/25, along with the sale of some of his models and supplies. Ken Jochim was going to contact AMA regarding potential donations from Boris' coworkers at Autodesk.

The meeting was adjourned at 7:07 pm.

Respectfully submitted,  
Ken Jochim, Secretary

### THE INVERTED FLYER

Editor: James Mack

The Inverted Flyer is published monthly by the Boulder Aeromodeling Society as a service to its members. Submissions for publication are encouraged and can be but are not limited to: articles pertaining to Aeromodeling, letters to the editor, short news items of general interest to BAS members, and announcements. Space permitting, all submissions will be published except as follows: no anonymous letters or

any submission containing morally objectionable content or language, as judged by the editor. Classified ads will be provided to the members of BAS free of charge. The deadline for all submissions and classified ads will be the first of the month for publication on or about the first Wednesday of the month. Opinions expressed in the Inverted Flyer are not necessarily those of the Boulder Aeromodeling Society general membership.
