AMA Charter # 906

September 2020 Edition

In remembrance of Boris Sergeev

Longtime BAS member Boris Sergeev passed away on August 31. Boris was an inspiration to all: his passion, craftsmanship, and ingenuity never failed to impress. He was always a fantastic presence at the flying field, and blew us away with his incredibly well-engineered models and exceptional piloting skills. Boris will be missed by all, and he will not soon be forgotten.

We have 23 float fly subgroup members.

Ken Jochim reported that Float Flying will end as of September 1, since Boulder will be draining the reservoir for repairs, and the facility will be closed thru spring of 2021. The city offered a small rebate on the reservoir fees to compensate for the shortened season, which will be applied to next year's fees.

Aidan reported that the city has requested that we minimize flying beyond the main road.

Rich Anderson discussed issues with how the city wants us to do weed spraying.

Aidan mentioned that he was working with a company to get a quote to have the Runway sealed. This will happen sometime in August. .

The meeting was adjourned at 6:53 pm.

Respectfully submitted,
Ken Jochim, Secretary
