BAS FUN FLY AND PICNIC

Gate opens at 10:00 am.

Come and join us for our annual fun day and BAS picnic at Chandler Field August 18th 2012.

Members and Guests are welcomed to attend this event.

Swap shop and Flying starts at 10:00.

Come out for some good food and some fun Flying.

We will start serving food and drink around 12:00

This is to remind old members and alert the new members about this discount program at Hobby Town.

Gary Kolm (aka Hobby Town) has informed us that he is running his “**employee pricing**” promotion again for all club members. All you have to have is your current BAS. card along with your AMA card and you are in!

Now normally this is only at Christmas time but the word on the street is that Gary (aka Santa) will make this available to our members all year long. Wow! You can buy just like you worked at the store without ever having to punch a time clock. Doesn't get much better than that.

Thank Gary the next time you see him hard at work in the store.

**BAS Meeting, Chandler Field
August 8th, 2012, 6:30 PM**

Our club has set aside Thursday evenings as flight training instruction at the field. Al Coelho, James Mack and Rich Anderson have agreed to be instructors for the Mal Meador Youth Training Program and will be at the field on Thursday evenings (weather providing) to provide instruction. The main focus will be for youth instruction, but anyone looking for help in learning to fly is welcome to come on out. Futaba and JR/Spektrum Buddy boxes are available to help get new students in the air. The information on the youth training program can be found on our web page. If you have questions or would like some help learning to fly contact.
