The 2013 edition of the JEFCO AEROMOD'LERS AUCTION February 1-2-3 of 2013

We opened the on-line web PRE-REGISTRATION and it is available NOW!

If you plan on attending whether buying, selling or both it is best to pre-register. Pre-registered folks do not need to stand in line or fill out forms. Pick up a prepared package at the door and you are all set.

You will save a lot of work for those managing the event and make the whole process simpler for everyone.

If you are selling, you may list your items on the website which exposes them to potential buyers.

You may continually edit the items you list right up until the evening before the event. Items can be added to, changed, withdrawn etc. Pictures may be added as well.

As a seller when you get to the event a package will be there waiting for you with the labels and information stickers ready to apply. This will make the check in quick and greatly improve accuracy.

If you are a buyer and pre-register you will be able to see all the items list including pictures and stated minimum and buy it now prices so you will get a head start even before you come to the event.

We introduced this system last year with great success - PLEASE pre-register and help us all to enjoy the event.

Thank you.

P.S. If you would like to help at the event please contact John
