### BAS June 10th 2009 Meeting Minutes

**President Greg Hine** called the meeting to order at 7:00 p.m. with 20 members present. Greg ask for a motion to accept last months meeting minutes as they appeared in the last newsletter. Motion by Al Coelho with a second by Mark Bradley. Motion voted and passed.

**TREASURES REPORT--** Treasure Ken Jochim was not present so no report provided.

**1<sup>st</sup> VICE PRESIDENT--** 1<sup>st</sup> Vice President Augie Bruno reported the club now has 102 members.

**2<sup>nd</sup> VICE PRESIDENT--** 2<sup>nd</sup> Vice President Tony Kilwein reported there were no new safety problems at the field.

**OLD BUSINESS--**Rich Anderson reported on the Mal Meador youth program. He asked for some help on instruction of new students. Mark Bradley volunteered to help. Greg thanked the people who worked on the boat for the float fly. Discussion was held on the drain pipe. The drain pipe was put on hold. Charlie Miller volunteered to mow the grass on the grass runway and at the end of the paved runway. After discussion on field upkeep it was decided to have a workday on Saturday June 13 at 9 am to install ties at parking spaces and to spray weeds. Greg is picking up supplies for the field workday. Wendel Wickstrom is bringing his motor home for the electric power and needed water for spraying. Rich Anderson reported on Monday there were 7 pilots attending the float fly and that the boat had quite a workout.

**NEW BUSINESS--**Ken Jochim will be making a presentation to the EAA on July 13<sup>th</sup>. Al Coelho volunteered to make a presentation at the Association for Community Living Learning Center some time in the near future. Greg reported of Glen Millers passing and made available information on his Memorial Service which is Friday June 12 in the Chapel at Green Mountain Cemetery Boulder Co. Greg asked for help on setting up events for the Spring Fling Fun Fly which will be held on June 20<sup>th</sup>. Al Coelho, Rudy Furman and Boris Sergeev will help with the events which are Limbo, Spot Landing and Oh! Crap. Greg reported the Club now has a one year signed agreement with City of Boulder.

Motion to adjourn by Joe Sherran with a second by Al Coelho. Motion voted and passed.

**Respectfully submitted Rudy Glick.**

If you weren't at Chandler Field Saturday morning, June 20th, then you missed the 2nd annual BAS Spring Fling. Eight pilots flew and competed in Limbo, Oh Crap and Spot Landing to the amusement of many spectators.

Ken Jochim took 1st place in Spot Landing (electric) taking advantage of the no-wind conditions flying a very small and light weight biplane. Greg Hine took 2nd place with his red Aeroworks SU31. Boris Sergeev, Mike Morter and Al Coelho also competed. In Spot Landing (glow), Mike Broadstreet took 1st with his Ultra-Stick, Rudy Glick's and his Pawnee came in 2nd. Alex Bozanic came in 3rd.

In a death defying, grass skimming run, Boris Sergeev took 1st place in electric Limbo crossing under the tape at less than 3'. Greg Hine came in 2nd at 4', Mike Morter at 5' and Ken Jochim at 6'. Mike Broadstreet captured the glow Limbo at 5' as all other competitors DNF'ed trying to get under the tape.

Boris Sergeev might be able to win some serious money with the new higher limits at Black Hawk and Central City as he matched his first roll of the dice in the record time of 48 seconds after a quick flight of his electric 3D e-light around the pattern. No one else was close with Mike Morter coming in second, Greg Hine 3rd, and Ken Jochim 4th.

Alex Bozanic, perhaps winning his first aviation competition as a very competent new pilot, took 1st honors in the Oh Crap (Las Vegas) glow competition expertly piloting his LT 40 around the pattern and matching his first roll of the dice at 1:06. Mike Broadstreet took 2nd place at 1:16. A grand time was had by all.

The club would like to thank Al Coelho, Boris Sergeev, Greg Hine and Rudy Furman for their excellent officiating of the event. We also thank Dean Chandler for the use of his t-stakes and PVC pipe for the limbo poles.

**Don't forget... BAS's annual Fun Fly and Picnic will be held Saturday, August 1st at Chandler Field. 10:00 AM to 2:00 PM. See you there!**

Always remember you fly an airplane with your head, not your hands, and never let an airplane take you somewhere your brain didn't get to one minute earlier.

You know you've landed with the wheels up when it takes full power to taxi.

During the process of building your next masterpiece, it may become apparent that tail weight is required. Lead weight for fishing lines is available at most sporting goods stores in the form of round (about 1/8-inch diameter) strips, several inches long. The strip lead is easy to cut up and embedded in the model during construction. For example, strips of lead inserted under the triangle stock can be used to reinforce the fin or stabilizer on most model designs. It can also be inserted into wing tips to provide lateral balance

**BAS** would like to thank Rich Anderson, Rudy Glick, Rudy's friend Kirk, Boris Sergeev, Al Coelho, Jay McDonald, Marco Briziaelli, Wendell Wickstrom, Joe Sherran and Greg Hine coming out for a morning of weed whacking and spraying at Chandler Field on Saturday, June 13<sup>th</sup>. In addition, the club would like to thank Charlie Miller for doing a great job of mowing the grass runway. The field has never looked so good!
