

THE INVERTED FLYER

NEWS of the BOULDER AEROMODELING SOCIETY
AMA Charter # 906

July 2013 Edition

Ken Miller Editor # 60

OPPORTUNITY KNOCKS

The Club President is the Chief Executive Officer of the Club. In that capacity he/she is responsible, directly or indirectly, for all Club activities, policies and procedures. The president presides at all Club meetings and acts as spokesman for all matters pertaining to the Club. These include, but are not limited to, interfacing with the City of Boulder and City Council issues, Club finances and capital proposals, Membership issues as well as miscellaneous issues regarding the activity of the Boulder Aeromodelers Preservation Committee (BAPC). The President makes all appointments for special duties such as Instructor Coordinator, Instructors and Event directors as well as any other ad hoc positions, as required.

The President presides over the Executive Committee and is a voting member of that group. Upon termination of the final year of service, the President automatically becomes **Senior Advisor** for a period of one year.

The President is an elected position with a term of one year. There are no term limits. The primary responsibility for the **1st VP** is to act for the President when the President is unable to serve. This includes chairing Club meetings and interfacing with outside groups that have influence on Club activities (AMA, FAA, Boulder Open Space/Parks&Recs and City Council). In addition, this position serves as the Club Executive Committee representative on the BAS Preservation Committee and is the liaison between the two groups. The position is also responsible for email contact to the general membership for issues impacting operations of the Club (emergency field closures/restrictions, AMA/FAA communications, etc).

The 1st VP is a voting member of the Executive Committee and is elected for a term of one year. There are no term limits.

The primary responsibility for the **2nd VP** is to act for the 1stVP when he/she is unable to serve.

The 2nd VP is a voting member of the Executive Committee and is elected for a term of one year. There are no term limits.

The Secretary acts as both the recording and correspondence secretary for the Club. In that capacity he/she attends the meetings and records the number of members present and a summary of the discussions held at the meeting. Within one week after the meeting, the secretary forwards the minutes to the Newsletter Editor for inclusion in the Monthly Newsletter.

The secretary is responsible for all official correspondence with the AMA and is the contact person between the Club and the AMA. In that capacity, the position is responsible for filling out and filing the annual Club Charter which provides AMA insurance for the Club.

The secretary is an elected position for a term of one year. There are no term limits. The position is a voting member of the Executive Committee.

Aug

BAS Meeting Minutes 6-12-13

Meeting called to order by **PRESIDENT** David Goodnow at 6:30 pm with 14 members present and one guest a young man named Felix Uriel soon to be a heli pilot under Al Coelho guidance. Motion by David with a second by Augie Bruno to accept the last meeting minutes as they appeared in the newsletter. Motion voted on and passed.

TREASURE REPORT-- Treasure Dean Ehn gave a detailed report of the clubs finances.

1ST VICE PRESIDENT REPORT--1st Vice President Augie Bruno reported the club now has 83 members of which 25 are also in the float fly group.

2ND VICE PRESIDENT--2nd Vice President Joe Sherran reported the windsock was knocked down by a glider on a dangerous low and fast pass. It has been repaired with a new windsock installed.

OLD BUSINESS--David reported 2 new fire extinguishers have been installed in the shelter along with a first aid kit. Joe Sherran and David Goodnow reported on the delivery of 60 tons of $\frac{3}{4}$ rock that was spread on the parking lot and pit area thanks to people and Joe Sherran with his bobcat loader.

NEW BUSINESS--The clubs picnic and fun fly was discussed and was decided to have the picnic on Saturday August 17th. Food will be served a 12:00 noon. Ken Miller, David Goodnow and Joe Sherran will prepare the food. David Goodnow discussed top sealing the runway some time this summer. Motion by Rich Anderson with second to the motion by Augie Bruno to authorize the club to spend up to \$3500.00 top seal the runway. The motion was voted on and passed. David Goodnow will report back to the club on the cost and time for the sealing to take place. David Goodnow brought up for discussion a storage area for the riding mower and field tools. It was decided to make a storage area inside of our existing shelter. Motion by David Goodnow with a second to the motion by Wendell Wickstrom to construct the storage area. Motion voted on and passed. David Goodnow will head up the construction of the new storage area. Rich Anderson reported the Mal Meador youth program now has 5 students he asked that the program be closed to any more new students. He also reported the youth program needs two more training aircraft. Motion by Joe Sherran with a second by Chester Shans to purchase two more trainers and close the program to new students for the year. Motion to adjourn the meeting by David Goodnow with second by Joe Sherran. Motion voted and passed.

Respectfully submitted Rudy Glick.

YOUTH PROGRAM

The Mel Meador Youth Program is back in session on Thursday evenings this summer from 5:00 pm to 7:30 pm.

Chandler Field will be closed to 'open flying' at this time.

Instructors will be providing youth the opportunity to learn the skills to fly RC model airplanes.

Thanks to all BAS members for your cooperation on this matter.
