

THE INVERTED FLYER

NEWS of the BOULDER AEROMODELING SOCIETY
AMA Charter # 906

September 2009 Edition

Rudy Furman and Steven Croft

BAS August 12th 2009 Meeting Minutes

Meeting called to order by President Greg Hine at 7:03 pm. With 12 members and one guest, Judy Campbell, present. Greg asked for a motion to accept last months meeting minutes as they appeared in the last newsletter. Motion by Al Coelho with a second by Augie Bruno to accept minutes. Motion voted and passed.

TREASURE REPORT-- In the absence of Treasure, Ken Jochim, President, Greg Hine, gave a report on the clubs financial status.

1ST VICE PRESIDENT REPORT-- Augie Bruno reported two new members Jeff Campbell and Chris Volek. This brings the total membership to 106.

.2ND VICE PRESIDENT REPORT-- Tony Kilwein reported some members are not using the radio frequency board even if you have a spread spectrum you should pin your AMA card to the board.

OLD BUSINESS-- Rich Anderson reported on the Mal Meador youth program. He has 2 active students.

Greg thanked the club members and especially Augie Bruno, Rudy Furman, Al Coelho, Ken Jochim, Ken Miller, Wendell Wickstrom and Joe Sherran for their work on the club picnic. Al Coelho discussed the use of pictures he has placed on the club web-site. Greg reminded everyone of the Muddy Buddy Race they will be using the parking lot and porti-potty August 14 thru August 16. The field will be closed on the morning of the 16th.

NEW BUSINESS-- The Longmont club will be holding an electric fun fly at the LAMA field south of Dacono on August 22. LOVE AIR will be holding the WARBIRDS OVER THE ROCKIES on August 28th thru 30. Dean Chandler stated his feelings on the purchase of the trailer by the club for the mowing machine. He felt the \$500.00 cost to be extreme and the voting by e-mail for the purchase was not according to the club by-laws.

The next club meeting will be September 9th at Hobby Town USA in Longmont at 6:30 pm.

SHOW AND TELL-- Tony Kilwein showed us his new model based on his old Bird of Time which is now covering 13ft. of the lakes bottom. His new bird of time has a wing span of 17ft. It has not flown yet but it sure is impressive on the ground. Greg Hine showed and demonstrated his new slope glider called the Alula. It only weighs 7oz. He launched it by hand and gained some good altitude before landing. Motion by Dean Ehn with a second Al Coelho to adjourn the meeting. Motion voted and passed.

Respectfully submitted Rudy Glick

Miniature Aero sportsters and Mile Hi RC are co-sponsoring a Fly-In to Benefit United Cerebral Palsy of Colorado (UCP) on September 12th, 2009.

This is a very important event for the clubs, UCP and the children afflicted with Cerebral Palsy.

Please share this with all of your club members and encourage them to join us for a great Fly_In for a wonderful cause. The goal this year is to raise \$10,000 for UCP.

If your members can not attend but would like to donate, they may do so on-line at <http://www.cpc.org/aeroworks.html>

Thanks very much,
 George

A thunderstorm is never as bad on the inside as it appears on the outside. It's much worse.

Any attempt to stretch fuel is guaranteed increase headwind.

BAS Members:

The USA RC (F3J - Thermal Duration) Glider Team Selection for next year's, 2010 World Championships is being held in NE Denver Labor Day weekend. They need volunteers to help time flights, and record the accuracy of landings. I went down the last time the Team Selection was held in Denver and saw some very beautiful airplanes and truly exceptional pilots. Come on down, help out, and see some great competition. 'hope to see you there!
Fly Safe! Greg
