OLD BUSINESS-- Field clean up day is still scheduled for Saturday May17 Augie Bruno will bring stain for the benches and tables, need rakes, shovels and weed whackers to complete the job.. Starting time will be 9:00 A.M. Tony Kilwein reported the parking lot drag is missing. Fun fly is going to be held on Saturday June 7. Greg Hine is going to be the contest director with help from Mel Kooy. The events will be dead stick landing, roll the dice, limbo and balloon bust. Greg will send e-mail to members at a later date. There will be a photo session at the lake on May 19th hope to have a good turnout of float flyers. Boulder Senior Center will be taking the pictures.. It was noted there will be no float flying on Monday June 1. New hours for flying combat at the field will be Thursday evenings. Greg reported the Longmont club open house for their new field southeast of Dacono will be on Saturday June 21.

NEW BUSINESS-- Greg handed out copies of the new updated By-laws for the club, A brief discussion was held on the new changes. Ken Jochim made a motion with a second by Tony Kilwein to accept the new updated By-laws. Motion voted and passed. A new membership application form was updated by Al Coelho. Tony Kilwein will have copies made of the new application form for distribution. Gregg stated he is going to contact a professional paving contractor to get an estimate on fixing cracks in the runway and also check on an overlay for the pit area. Greg also asked for help for the newsletter publication. A discussion was held on a weather station for field . Ken Miller and Tony Kilwein are going to check on cost and technology available to see if it is feasible. Alex Bozanic has a G3 flite simulator for sale. Mike Guliza will put it on our webb site. Mike stated if any club member has something for sale to contact him and he will put it on the webb site.

SHOW AND TELL-- Tony Kilwein displayed an electric model made by Apex He has 300 watts of power which combined with an 11x7 prop gives him 3 lbs of thrust. The model weighs 2 lbs so it will go vertical. It is a arf kit which cost \$80.00.

Respectfully submitted Rudy Glick.
