### CLUB DVD LIBRARY OPEN

The Club DVD library is open:  
[milehighwings.com/club/dvd.htm](http://milehighwings.com/club/dvd.htm)  
You can request a title via e-mail and pick up the DVD at  
the club meeting. Don't miss *Tucson Aerobatic Shootout*,  
the best R/C video of all times!

Please feel free to [e-mail](mailto:) me your suggestions regarding  
the new DVDs to add to the library.

*Boris Sergeev, Club Librarian*

### FIELD PARKING

There are parking spaces at the field marked and  
designated as handicap parking. We've been notified that  
if City Park Rangers see vehicles parked in those stalls  
without a proper handicap tag displayed they will start  
issuing violation tickets. **The fine for this type of ticket  
is \$125.00.** All members need to be aware that, if you  
park in a handicap stall without a tag and a ranger comes  
by, it could become *an expensive day of flying*.

### BAS MEETING MINUTES

Boulder VoTech Center  
November 9, 2005

Meeting called to order by President Augi Bruno at 7:12 pm at  
Chandler field with 12 members present.

#### **Minutes**

Motion by Dean Ehn seconded by Arnold Peckar for the  
Minutes of the October meeting to be accepted as published  
in the last newsletter. Motion carried.

### **Treasurers Report**

Ken Jochim reported the club has a bank balance of  
\$7515.83 with 99 current members.

### **Old Business**

Rich Anderson reported he is still waiting on the contract with  
the city of Boulder. He is hopeful the new contract will be of a  
longer duration. He is trying to have it for a period of ten years.

Greg Hines has offered his building in Boulder as a temporary  
spot for us to hold our meetings. Augie Bruno is going to  
check some Recreation buildings in our area to see if they  
would be suitable for our needs. He will report back at the  
next meeting.

Boris Sergeev reported the DVD library is up and running.  
The DVD's will be exchanged at the meetings. This makes  
another good reason to come to the meetings.

### **New Business**

Nominations for club officers were held with the following  
choices having been made:

- *President* — Richard Anderson or Wendell Wickstrom  
(to pick one)
- *Vice presidents* — August Bruno, Tony Kilwein and  
Dean Chandler (to pick two)
- *Treasurer* — Ken Jochim
- *Secretary* — Rudy Glick
- *Newsletter Editor* — James Mack
- *Webmaster and DVD Librarian* — Boris Sergeev

Motion by Rich Anderson seconded by Tony Kilwein. to  
print ballots in the next newsletter. Marked Ballots can be  
mailed to the club secretary prior to the next meeting or  
brought to the meeting [*mail-in ballots printed on the next  
page—just fold them, attach a stamp, and mail*]. Motion  
passed.

The election will take place at our next meeting 12/14/05 at  
7:PM.

Ken Jochim reported the club expenses have been rising and suggested a dues increase. A discussion was held on the subject. A motion was made by Dean Ehn and seconded by John Kolberg to raise our annual dues to the following levels:

- Regular Membership *with e-mail delivery of the newsletter* — \$45.00 per year
- Regular Members *with postal delivery of the printed newsletter* — \$50.00 (to cover newsletter mailing cost)
- Regular Family Membership — \$55.00
- Junior Membership — \$15.00
- All Regular Memberships require, for the first year only, an additional \$30.00 field upkeep cost. [*This fee is paid when one joins the club or when one renews the membership after not being a member for a year or more.*]

Motion Passed.

### Show & Tell

Dean Ehn showed us the plans of a floatplane he is going to build. See you on the water next April, Dean.

Tony Kilwein displayed a camera, which can be attached to a plane to get an aerial video or still photos for an unbelievable cost of less than \$30.00. Talk to Tony for more details.

Dean Chandler showed a new synthesized radio system from Polk's Hobbies. It looks like he got a good value.

Rudy Glick showed a work in progress, a 20% scale PT-17 Stearman being built from Ziroli plans. Most of the framework is completed, including handcrafted oleo struts and 5 cylinder 4 stroke star engine! Rudy hopes to complete it by the next summer

Motion to adjourn made by Dean Ehn second by Ken Jochim.

Respectfully submitted,  
Rudy Glick
