NOTICE: Club Meetings are held now on the Second Wednesday of each month

Next Meeting: **February 12, 2003**
7:00 PM at Boulder TEC Center
6600 Arapahoe Ave., opposite the Valmont power plant

DON'T FORGET: Membership Dues are due by the end of February!

CHECK IT OUT: The new Club homepage can be accessed on the Internet at: www.milehighwings.com/club

REMINDER

The last person to leave the flying field needs to ensure that the gate to the field is locked. The gate must be locked with the club's padlock locked through the city's lock in order to allow the city to have access to the field.

Any maintenance work at the field must be coordinated and approved by club officers and Boulder City staff. All maintenance work to be done at the field must first be coordinated with club vice president Rich Anderson (303) 652-2224. Rich will coordinate requested projects with club officers and Boulder City staff, and if the project is approved dates will be established for the work to be done.

BAS MEETING MINUTES

December 12, 2002

President Terry Edwards called the meeting to order at 7: 05pm. The meeting was held at the TEC Center.

Minutes

Glenn Miller questioned the drawing of the new parking plan showing vehicles in the handicap area. President Terry explained that it was only for demonstration purpose.

The minutes were approved as written in the Newsletter.

Treasurers Report:

Ken Jochim reported a balance of \$4228.63.

Old Business:

Tony Kilwein volunteered to remove the current no parking signs.

Tony Kilwein reported that he was contacted by the Parks Dept. while doing maintenance in the parking lot. The parks department wants to be kept informed of any maintenance and other activities performed by club members. They will be informed ahead of time when they receive complaints.

Tony told the Parks guy about the new parking plan. BAS will provide a copy of the parking plan.

Discussion followed about having one person providing information to the Parks Department. Richard Anderson will be the contact person. Members should call Richard before doing any maintenance.

The city will issue citations to people inappropriately parked in the handicap area.

New Business:

John Kohlberg inquired about the need to seal coat the runways. Wendell Wickstrom said that according to the contractor, they should not have to be sealed for up to three years. It was suggested to have the contractor check the runway condition periodically.

Ken Jochim reported that the new nametags and keys will be sent out with paid up dues.

President Terry announced that the Jeffco auction will be held February 1st and 2nd. Check in will be on January 31st. The auction is located near 6th Ave and Indiana Street.

President Terry also reported that there is an AMA procedure to discipline members when they are noncompliant.

Wendell Wickstrom made a suggestion to do the majority of club business at a monthly officer's meeting. The regular meeting could almost entirely be devoted to programs and show and tell. Wendell explained that attendance might increase and members other than the usual few would come.

Both Terry Edwards and Arnold Peckar offered there hangars as possible locations for some meetings.

Arnold Peckar announced that the Longmont EAA Fly-In will be June 28th And 29th 2003. Arnold also announced that he is on the Board of the Antique Airplane Association.

The Inverted Flyer is published monthly by the Boulder Aeromodeling Society as a service to its members. Submissions for publication are encouraged and can be but are not limited to: articles pertaining to Aeromodeling, letters to the editor, short news items of general interest to BAS members, and announcements. Space permitting, all submissions will be published except as follows: no anonymous letters or any submission containing morally objectionable content or language,

as judged by the editor. Classified ads will be provided to the members of BAS free of charge. The deadline for all submissions and classified ads will be the first of the month for publication on or about the first Wednesday of the month. Opinions expressed in the Inverted Flyer are not necessarily those of the Boulder Aeromodeling Society general membership.
