VICE PRESIDENT'S MESSAGE

It was proposed at the last meeting to publish the membership list in the next Newsletter.

VP Richard Anderson would like to print the following: name, address, phone number, and e-mail address. If anyone does not want their information printed, they should let him, or Newsletter Editor, know. (Should the on-line version of the Newsletter list e-mails only?)

OCTOBER MEETING

The October meeting didn't boast high attendance: the four gentlemen above, Richard Anderson, Jacque Harvey, Dean Chandler, and Tony Kilwein (plus me taking pictures) were later joined by Rudy Glick, Mike Farnsworth, and Russ Larsen. This was twice as many as at the previous, September, meeting, but hardly enough to represent all the Club members. **Attend the Club meetings!**

BAS MEETING MINUTES

October 9, 2002

The meeting was held at the TEC Center. Vice President Richard Anderson called the meeting to order at 7:40 pm

Treasurers Report:

No report

Old Business:

Boris Sergeev agreed to do the newsletter.

Richard reported that we have a new member Scott Ellis.

Mike Farnsworth reported that pylon racing is going ok at the field. Richard reported that John Maak had agreed to put together the procedures for flying helicopters.

Richard reported that the porta-potti had been cleaned at a cost of \$40.00. Richard Raney has volunteered to take care of getting it serviced in the future.

Member nametags question was discussed. The estimated cost is \$8.00 each. Members present felt that the cost was too much for the club to pay. Discussion followed about the possibility of using plastic holders, with name strips printed on the computer. VP Richard Anderson asked Russ Larsen to request a new updated member list from Ken Jochim.

Members discussed the new safety benches at the field. The size may need to be increased, if more are built.

New Business:

VP Richard Anderson reported that the agreement with the TEC Center has been renewed for the next year.

The need for a nominating committee was discussed, as election of officers is scheduled for November. Richard reported that Ken Jochim had agreed to either remain as treasurer or newsletter editor. Boris Sergeev had earlier agreed to do the newsletter. Russ Larsen was asked to consider running for secretary again. No decision.

Richard suggested that a current membership list be printed in the newsletter. All members are encouraged to attend the

next meeting to elect officers to direct club activities for the next year.

Members are asked to make nominations from the floor.

Dean Chandler made a motion to adjourn and Tony Kilwein seconded the motion. Motion carried. The meeting was adjourned at 8:30 pm.

EDITOR'S MESSAGE

Hi All,

My name is Boris Sergeev. I joined the club in September, after moving into Boulder this April. I've enjoyed meeting many BAS members and I'm looking forward to meeting the others. You might have seen me at the flying field trying to operate this coroplast contraption:

I came forward to serve as a newsletter Editor because I want to contribute to my Club. My immediate goal is to restore the Net presence of the Club (I'm working on new Club Web pages) and to breathe new life into this newsletter.

I believe that the world, or, at least, the Front Range, should know how great Boulder Aeromodeling Society really is. When I was thinking about joining an R/C club in the area, I had hard time finding any information about BAS: the club's (rather obsolete) Web site isn't linked to any search engine and isn't present in any R/C link lists. AMA doesn't give a link to BAS homepage too. This has to be changed!

I hope that you will kindly forgive my poor writing (English isn't my first language, not even the second) and will contribute to this fine newsletter. ☺

Sincerely,
Boris A. Sergeev (look, my initials are BAS too!)
