

September 2003 Edition

2003 Officers:

President:	Terry Edwards	(303) 499-6463	Secretary:	Russ Larsen	(303) 828-2872
Vice Presidents:	August Bruno	(303) 828-0910	Newsletter Editor:	Boris Sergeev	(303) 530-2063
	Rich Anderson	(303) 652-2224	e-mail:	BSergeev@excite.com	
	Wendell Wickstrom	(303) 494-9324			
Treasurer:	Ken Jochim	(303) 444-3206			

CLUB MEETING: September 10 at 7pm at the Flying Field

REMINDER

The last person to leave the flying field needs to ensure that the gate to the field is locked. The gate must be locked with the club's padlock locked through the city's lock in order to allow the city to have access to the field.

Any maintenance work at the field must be coordinated and approved by club officers and Boulder City staff. All maintenance work to be done at the field must first be coordinated with club vice president Rich Anderson (303) 652-2224. Rich will coordinate requested projects with club officers and Matt Claussen with the Boulder City Parks and Recreation Department, and if the project is approved dates will be established for the work to be done.

BAS MEETING MINUTES

August 13, 2003

President Terry Edwards started the meeting at 7:15 pm. The meeting was held at Chandler Field.

Treasurers Report

Ken Jochim reported a balance of \$ 5,653.97.

Old Business

Final details for the August 23rd Fun Fly were discussed a number of members volunteered to help.

The Fun Fly starts at 10:00am. There will be food, drink, prizes in different categories, and a raffle for a door prize.

New Business

Arnold Peckar reported on a possible project for the Club. Through his contacts on the Antique Airplane Board of Colorado, Arnold found out about a partially built model from one of the Lockheed family descendents. Another

club started the project, but is unable to finish it. Arnold explained that he had limited information at this time. He will try to get more information about the status of the project.

Rich Anderson asked if the Club wanted to continue to meet at the VoTech. There was a consensus of members to continue to meet there. Rich will reserve a spot for the Club.

The need for roof repair of the shelter was discussed. The members decided to make it a fall project. The repair day will be September 13th, starting at 8:00 am.

Rudy Glick thanked Rich Anderson for his work on the flight benches.

Skip Miller, a BAS member and former World Soaring champion, spoke to the club about the upcoming competition to select the US Soaring Team. Volunteers are needed to run stopwatches. Volunteers will have a chance to win a Stylus Radio. The event will be held on Labor Day at 120th and Tower Road.

President Terry welcomed a visitor Tim Siegert.

Augie Bruno made a motion to adjourn and Tony Kilwein seconded the motion. Motion carried. The meeting was adjourned at 7:45 p.m.

Respectfully submitted,
Russell Larsen, Secretary

Message from Ken Jochim

I got a call from Lesley Kinder, Race Director of a 2003 Nike ACG Boulder Backroads Marathon, who is organizing a foot race around the reservoir on the 21st of September. She is going to send me the particulars, as well as a form for a Pass that we can print in the newsletter so our folks can get past the security folks that will be limiting access to the road around the reservoir. [*The pass is at the next page*]

-- To the Boulder Aeromodeling Society --

Road Closure Vehicle Exemption Pass

The Boulder Backroads Marathon & Half Marathon will be held Sunday, September 28, 2003 between 6:30 am and 1:30 p.m.

The road between the West Gate of the Boulder Reservoir north to Niwot Road will be entirely closed to vehicular traffic between 6:30 am and 1:30 pm that day. This is to ensure the safety of 3,000+ runners and walkers who will be participating in this event.

Members of the Boulder Aeromodeling Society, who wish to reach the flying field during this time period, are requested to take this pass with them to obtain access to the field on that day after 10:00 a.m.

Members are also requested to please use the Monarch Road/63rd Street intersection to access the field that day, since runner traffic will not be as heavy at that intersection, particularly after the field opens at 10:00 am.

For more information, please contact Lesley Kinder, race director, at 303-447-2094.

Ken also added: I found the piece of copper tubing shown in the attached photo out on the runway this weekend [August 23...24]. It is about 3/8" OD. If someone lost it and wants it back, give me a call at 303-444-3206.

Sincerely,
Ken Jochim

KEEP SMILIN'

Ain't it the truth?

If there is anything a pilot hates worse, it is to wake up and find his copilot asleep.

Thought for the month

"Fear less, hope more;
Whine less, breathe more;
Talk less, say more;
Hate less, love more;
And all good things are yours."

Swedish Proverb

"When you're educated, you'll believe only half of what you hear.
When you're intelligent, you'll know which half."

Think about it

"Why don't they pass a Constitutional amendment prohibiting anybody from learning anything? If it works as well as prohibition did, in five years, Americans would be the smartest race of people on Earth."

- Will Rogers

FLYING FIELD HOURS

9:00am to dusk on weekdays
10:00am to dusk on weekends

Note to members receiving newsletter by snail mail:

If you send the editor your email address, we can send you the newsletter by e-mail. This saves the club 37 cents each newsletter PLUS you get all the links clickable and all the pictures in color rather than black and white. And you get it a couple of days sooner.

The Inverted Flyer is published monthly by the Boulder Aeromodeling Society as a service to its members. Submissions for publication are encouraged and can be but are not limited to: articles pertaining to Aeromodeling, letters to the editor, short news items of general interest to BAS members, and announcements. Space permitting, all submissions will be published except as follows: no anonymous letters or any submission containing morally

objectionable content or language, as judged by the editor. Classified ads will be provided to the members of BAS free of charge. The deadline for all submissions and classified ads will be the first of the month for publication on or about the first Wednesday of the month. Opinions expressed in the Inverted Flyer are not necessarily those of the Boulder Aeromodeling Society general membership.
