HobbyTown Longmont*

FIELD WORK DAY: *April 21st, 2007 at
Chandler Field*

BAS MEETING MINUTES

HobbyTown Longmont
March 14, 2006

Meeting called to order by President Rich Anderson at 7:02 PM with 25 members and one guest present, Mr. Gary Hodges.

Treasurer's Report

Treasurer Ken Jochim reported a bank balance of \$13833.30.

Ken also noted we have a few club caps left for sale.

Old Business

Motion by Wendell Wickstrom, with a second by Tony Kilwein, to accept last month's meeting minutes as they appeared in the March newsletter. Motion voted and passed. Rich Anderson displayed an article in the Longmont Newspaper of Joe Cowan's large rocket, which gave Joe some well deserved recognition.

A report given by James Mack on the status of the Mal Meador youth program. Progress is being made on a curriculum for selection of equipment and candidates for the program.

Motion by Wendell Wickstrom, with a second by Dean Chandler, to change the date of the BAS club fun fly to Saturday July 14. The motion voted and passed. Discussion was held on the events to be held. It was decided no formal prizes to be given for the events.

Discussion was held on buying gravel for the field. Ken Miller reported that the cost would be \$510.00 per 25 ton load. Motion by Wendell Wickstrom, with a second by Dean Ehn, for the club to purchase 2 loads of gravel and to reimburse Dean Chandler for expenses he incurs during spreading gravel with his equipment. Motion voted and passed.

Motion by Greg Hine, with a second by Wendell Wickstrom, for the club to seek a voluntary \$20.00 donation per member to help pay for the cost of the gravel. Motion voted and passed.

New Business

Our annual field work day for cleaning and repairs will be Saturday April 21.

The field will be closed to flying on Saturday March 24, as we will be spreading gravel.

Tony Kilwein will change the frequency board to accept a space for the new spread spectrum radios.

Boris Sergeev will email a new password to the club members for our website.

Show and Tell

Wendell Wickstrom displayed a work in progress of a fiberglass fuse he is constructing for a PBY flying boat. He first made a mold to make the model. When completed it will have a 75" wingspan with two magnum .91cu in. four strokes for power.

Rich Anderson donated a R/C rocket glider and the winner was James Mack. Wendell Wickstrom narrated a video of the spruce goose, which was a club project in 1999.

Adjourn

Motion to adjourn by Mel Kooy with a second by Ken Jochim. Motion voted and passed.

Respectfully submitted,
Rudy Glick

Gravel Day

A new layer of ¾" granite was laid at the field on Tuesday, March 27th. The following people showed up to help spread out the 50 tons of gravel piled up at the field:

Rich Anderson	Rudy Glick
Augie Bruno	Mike Gulizia
Dean Chandler	John Kolberg
Al Coelho	Jay McDonald
Rudy Furman	Rich Rooney

Here are some photos from the day, courtesy of Al Coelho.

Must be a government job. Four supervisors leaning on shovel handles.

An old Massey Ferguson (The tractor - not Dean).

ANNOUNCEMENTS

New Club Website and Email Addresses

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the webpage by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to officers@boulderaero.org will be sent to the current club officers, and mail sent to club@boulderaero.org will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.
