**CLUB MEETING:** *December 13th, 2006 at 7pm at  
HobbyTown Longmont*

### BAS MEETING MINUTES

HobbyTown Longmont  
November 8, 2006

Meeting called to order by President Rich Anderson at 7:01 pm with 19 members present.

#### Correction

Rich Anderson made a correction to last month's meeting minutes per the following. Under new business, books donated by Lee Sturgeon should have stated books donated by Linda Meador.

#### Treasurer's Report

Ken Jochim reported a bank balance of \$11805.66.

#### Old Business

Boris Sergeev displayed a new club banner he had made for the upcoming model exhibition at the Wings over the Rockies Museum.

Joe Cowan reported he would continue to work on the frequency list for the club.

Rich Anderson reported on the proceeds from the silent auction held at Steve Croft's hanger. For Louise Easom \$439.00 and for the Linda Meador youth fund \$1805.00.

Rich Anderson reported that he would not pursue the Parks Department until next spring for a sign on the fence by the gate.

#### New Business

James Mack volunteered to be chairman of the new Mal Meador sponsored youth program.

The purchase of new caps with the club logo was discussed. Wendell Wickstrom and Ken Jochim are each looking at sources for their purchase. It was decided to attain 25 red & white and 25 blue & white caps.

Joe Cowan is looking for RC pilots for a Hobby Town sponsored blimp that will be flown at the Broomfield Event Center during their hockey games and other events. Anyone interested should contact Joe Cowan at [shirleyjoe3@msn.com](mailto:shirleyjoe3@msn.com) or (303) 774-7433.

James Mack will be working on an update of the club e-mail addresses.

Nominations for club officers for 2007 were taken and discussed. It was decided any member who wants to be on the ballot for the December 13 election should be nominated tonight or contact James Mack by e-mail or US mail by December 9 so it could be posted in the newsletter prior to the election. The following Nominee's are as follows:

**President:** Rich Anderson  
**1<sup>st</sup> Vice President:** Dean Chandler  
**2<sup>nd</sup> Vice President:** Tony Kilwein  
**Treasurer:** Ken Jochim  
**Secretary:** Rudy Glick  
**Newsletter Editor:** James Mack  
**Webmaster:** Boris Sergeev

Arnold Peckar stated the club's funds should have a more secure method for future safe-keeping. Rich Anderson said the safety of clubs funds was on the agenda of the Officers' meeting.

Rich Anderson had a free drawing of the items left over from the silent auction.

### **Show and Tell**

Bob Franklin displayed a Tiger Shark Kit he purchased. It is mono-line control kit probably from the late 1940's

Boris Sergeev gave information on the purchasing of piston rings, which he stated, are of top quality. He also showed us three different electric motors the largest he said should produce about 2hp. These motors are made in China at a very reasonable cost.

### **Adjourn**

Motion to adjourn by Arnold Peckar with a second by Rich Rooney. Motion voted and passed.

Respectfully submitted,  
Rudy Glick

### **FROM THE FIELD**

Rudy Glick sent the following photos from a day of war-birds at the field in November. From left are Steve Croft, Wendell Wickstrom, Rich Anderson, and Augie Bruno.

## ANNOUNCEMENTS

### **New Club Website and Email Addresses**

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the webpage by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to [officers@boulderaero.org](mailto:officers@boulderaero.org) will be sent to the current club officers, and mail sent to [club@boulderaero.org](mailto:club@boulderaero.org) will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

### **Club Hats Available**

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

### **Wings Over The Rockies Exhibition**

The club is looking for volunteers for a booth at the Wings Over the Rockies R/C exhibition on February 10<sup>th</sup> 2007, from 10AM to 5PM. We will be provided with a table and chairs, and are asked to bring some of our models for display, and possibly set up some technique or product demos.

The organizers are hoping to make this a Toledo type event, with vendor booths for the big manufacturers (DuBro, Dave Brown, etc.) and lots of cool hardware. Plus, it should be a great opportunity to chat with fellow modelers from around the area.

If that wasn't incentive enough, the museum offers free admission to anyone participating, and their exhibits include lots of cool planes including one of only two B-1A bombers on display in the nation. They also make it open cockpit day, so you get the opportunity to drop into the pilot's seat of those planes as well.

If you're interested in participating, contact one of the club officers, or Bob Bergin at (303-693-9727) or [bobbergin2@comcast.net](mailto:bobbergin2@comcast.net).

### **FIELD PARKING**

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.

### **CLUB DVD LIBRARY OPEN**

The Club DVD library is open:

[milehighwings.com/club/dvd.htm](http://milehighwings.com/club/dvd.htm)

You can request a title via e-mail and pick up the DVD at the club meeting. Don't miss *Tucson Aerobatic Shootout*, the best R/C video of all times!

Please feel free to [e-mail](mailto:) me your suggestions regarding the new DVDs to add to the library.

*Boris Sergeev, Club Librarian*

### **From The Editor**

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

### **UPCOMING EVENTS**

*February 10<sup>th</sup>, 2007*
