The Mal Meador youth program was discussed. Al Coelho will check with the AMA to see if they will help support the program; also will see if some manufacturers will help with some of the equipment.

New Business

It is membership renewal time. Ken stated that new keys for the field gate lock would be issued for members in good standing by the end of February.

A discussion was held on family membership. A motion by Ken Miller with a second by Dean Ehn stating to qualify for family membership any members of the family seeking membership in the club must reside at the same residence. Motion voted and passed.

ANNOUNCEMENTS

Gate Key Change

The gate key to the field will be changing sometime in February. Ken Jochim will be sending new keys out to all club members who have paid their dues, so get those dues in to keep your access to the field!

New Club Website and Email Addresses

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the web-page by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to officers@boulderaero.org will be sent to the current club officers, and mail sent to club@boulderaero.org will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

CLUB DVD LIBRARY OPEN

The Club DVD library is open:
milehighwings.com/club/dvd.htm

You can request a title via e-mail and pick up the DVD at the club meeting. Don't miss *Tucson Aerobatic Shootout*, the best R/C video of all times!

Please feel free to [e-mail](#) me your suggestions regarding the new DVDs to add to the library.

Boris Sergeev, Club Librarian

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.**

All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.
