**CLUB MEETING:** *February 13th, 2008 at 7pm at HobbyTown Longmont*

### BAS MEETING MINUTES

HobbyTown Longmont  
January 9, 2008

Meeting called to order by President Greg Hine at 7:04 PM with 11 members and two guests: Jason DiSalvo and Keith Holud. In the absence of the newsletter Secretary Rudy Glick read the previous months minutes with one correction noted and changed. Motion to accept corrected minutes by Tony Kilwein seconded by Mel Koy. Motion voted and passed.

#### **Treasurer's Report**

No report. Treasurer Ken Jochim was not present.

#### **Old Business**

Augie Bruno reminded members the annual club dues were due January 1. A meeting was held with Ken J, Al C., Mike G., Augie B., and Greg H. on a computer program to help track club membership. A discussion followed with a motion by Augie Bruno seconded by Jay McDonald to use a computer program developed by Al Coelho called "R/C CLUB MANGER" to track club membership. Motion was voted and passed. Mike Gulizia reported he is working on more updates to our web page.

#### **New Business**

Greg stated he will e-mail members of a reminder of the upcoming event at the WINGS OFVER THE ROCKIES Museum taking place on February 9.

#### **Show and Tell**

Mark Bradley displayed a Saito 5 cylinder radial engine that he received as a Christmas present from his Dad. Wish I had a father like his. He intends to install it an Aero Works Stearman. Rich Anderson gave away several tapes on aviation subjects. Tony Kilwein showed us a voltage regulator that is very small in physical size but big in performance. If he can get enough people interested in purchasing these items he will try to procure them.

**Mark Bradley with his 5 cylinder Saito engine.**

#### **Adjourn**

Motion to adjourn by Rich Anderson seconded by Mel Koy. Meeting adjourned.

Respectfully submitted,  
Rudy Glick

## ANNOUNCEMENTS

### FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.

### **New Website and Webmaster**

Mike Gulizia has taken over webmaster duties after years of faithful service by Boris Sergeev. The website has also been permanently moved to it's new address at <http://www.boulderaero.org/>. Check it out!
