Old Business

He also stated CU aerospace needs a RC pilot for one of their programs, most likely during the spring. It was also noted that also the Parker Co. R.C. club has contacted us and will meet for breakfast and flying when the weather becomes warmer.

New Business

A discussion was held on dues increase for members without e-mail address as the cost of postage and materials for hard copy newsletters is \$6 to \$8 per year. Motion by

Tony Kilwein with a second by Arnold Peckar to increase dues from \$45 to \$55 per month for members receiving paper newsletter distribution. Motion voted and passed. Rich proposed a parking lot change to make the handicapped space next to the porta-john a space for open parking, mainly for campers and trailers. A discussion followed with a motion by Tony Kilwein and a second by Augie Bruno to accept the change. Motion voted and passed. The problem of water draining off of the west side of the shelter roof was discussed. Motion by Greg Hine with a second by Arnold Peckar to spend \$50 for a gutter. Motion voted and passed. Al Coelho and Rich Anderson will purchase and install the gutter. Motion by Augie Bruno with a second by Tony Kilwein not to replace the windsock at the field any sooner than March 1 2008. Motion voted and passed. John Kolberg expressed his appreciation of the work done by the club officers by presenting each of them a book on aviation. Thanks, John. Rich reported on Dean Chandler's recovery from back surgery. Get well soon Dean. It was reported by Wendell Wickstrom that Glen Miller is still struggling in his efforts to recover from his latest illness.

Treasure Ken Jochim asked the 1st Vice President for help in tracking membership. Augie Bruno the new 1st Vice President agreed to help.

He also showed a small chop saw he purchased from Harbor Freight for a cost of \$20.00. It looks like a neat little machine. Tony showed an electric model from Atlantic Hobbies that has a 400 outrunner motor for power and weighs 1lb. He also displayed a transmitter glove for cold weather flying. He purchased it from horizon hobbies for \$70.00. He is now ready for winter flying. He stated the glove does a fine job.
