CLUB MEETING: *June 13th, 2007 at 7pm at Vance Brand Airport Hangar 44*

BAS MEETING MINUTES

HobbyTown Longmont
May 9, 2006

Meeting called to order by President Rich Anderson at 7:03 P.M. with 15 members present.

Minutes

Rich Anderson asked for a motion to accept last month's meeting minutes as they appeared in the last newsletter. Motion by Dean Ehn with a second by Augie Bruno to accept the minutes. Motion voted and passed.

Treasurer's Report

Treasurer Ken Jochim reported the following.

| | |
|---------------------|------------|
| BAS Checking | \$3858.45 |
| Field (runway) Fund | \$8150.30 |
| Jr. Training Fund | \$2242.75 |
| Total | \$14251.50 |

Old Business

President Rich Anderson reported the items donated by Herb Wiedeman were sold at the LAMA auction for \$455.40. Thanks Herb. Motion by Rich Rooney with a second by Dean Ehn to apply the money from the auction to the gravel fund. Motion voted and passed.

Rich Rooney will meet with James Mack on the events to take place on the Fun Fly, which is to take place on July 14th.

Dean Chandler and Rich Anderson sprayed for weeds at the field last week. Rich Anderson reminded people with spread spectrum radios that they are still required to place a pin on the frequency board in the proper place. A new area has been marked with S's on the lowest rail of the frequency board for pinning up on spread spectrum.

A discussion was held on the field work day taking place on Saturday May 12th. Dean Chandler is bringing his tractor and equipment to help install the new fencing. Augie Bruno and Al Coelho are bringing weed trimmers, and Rich Anderson bringing a riding mower. Bob Franklin will paint the benches in the flight stations.

James Mack reported on the progress of the Mal Meador youth program. Discussion was held on the application and date of when to start the program. Arnold Peckar stated that Earl Bolton is willing to donate Monokote to the program.

New Business

Rich Anderson stated the Ospreys are back. Be careful not to fly west of the shelter house so as not to disturb their nesting place.

Rich Anderson reported a donation by Dave Butler to cover the cost of the new chain link fencing. Thank you Dave.

Augie Bruno reported on a catapult launch of a large flying boat model by the team of Scooter Maniero at the reservoir last Monday. Another flight will take place again this coming Monday, the 14th of May.

Show and Tell

Arnold Peckar displayed a packet of pictures he took while attending the model show at Toledo Ohio.

Dean Chandler demonstrated a prop drill fixture he made to help center the hole in the prop when the hole needs to be enlarged. Dean also showed some video of a recent float fly.

Adjourn

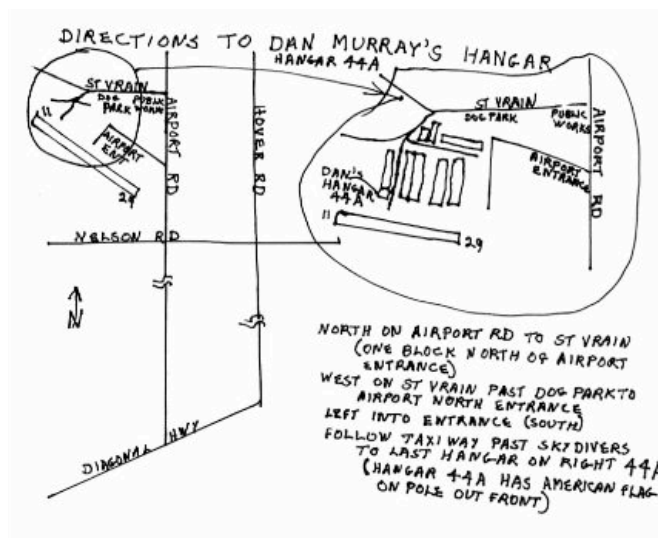

Motion by Augie Bruno with a second by Bob Franklin to adjourn the meeting. Motion voted and passed.

Respectfully submitted,
Rudy Glick

OUT AND ABOUT

Meeting Location for June Meeting

The meeting for June has been moved to Dan Murray's hangar at Vance Brand airport in Longmont. Dan will show us some of his collection and will talk about the P-26 that now resides in the Air Force Museum in Dayton Ohio. A map to the hangar is below.

Dean and the crew driving in the posts for the flight station fencing.

Field Work Day

The field work day on May 12th was a success due to excellent turnout, and we put up some really nice new chain link fencing and stained the benches, in addition to trimming the fields and edges. I've included some photos below.

Installing the fence on the north side of the field. Photo courtesy Al Coelho.

ANNOUNCEMENTS

OSPREYS ARE BACK!

The Ospreys are back and it's nesting season again. **We need to be careful not to fly in the Northwest section of our flying field.** It has been suggested that we use the East side of the shelter as an imaginary line running North and South as a boundary for flying North of the parking lot. Let's not fly in this NW quadrant of our flying space 'til the Ospreys head south in the fall.

New Club Website and Email Addresses

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the web-page by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to officers@boulderaero.org will be sent to the current club officers, and mail sent to club@boulderaero.org will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying.*

UPCOMING EVENTS

June 8th-10th, 2007

Warbirds Over Denver

Chatfield State Park

For more info:
