CLUB MEETING: *March 12th, 2008 at 7pm at
HobbyTown Longmont*

BAS MEETING MINUTES

HobbyTown Longmont
February 13, 2008

President Greg Hine called the meeting to order at 7:02PM with 12 members and one guest (Miss Isabella Bozanic) present. The minutes to the January 9 meeting were approved following a motion by Tony Kilwein, seconded by Mark Bradley.

Treasurer's Report

The Treasurer was not present but the current balance in the Club account was reported as \$13,970.28 including recent renewals. Membership is currently at 65 members and renewals are coming in at a steady pace. Members are encouraged to furnish an updated application along with a copy of their AMA card during the renewal process.

Old Business

The Wings Over the Rockies display turned out to be a resounding success for our second year in a row. The event organizers reported that the turnout this year was higher than last and many young people attended. BAS provided 2 simulators which were in use constantly. In addition we had Arnold Peckar giving lessons on an electric heli, Jay McDonald with a hands-on heli setup where participants could try their luck a landing a ball in a hole centrally located on a plate sitting on top of a heli swashplate. NOT EASY even with his new Spread Spektrum transmitter. Rudy Glick's hand made engine demos drew the usual large crowds and we had a number of nice aircraft on display. Thanks to Rich Anderson, Mark Bradley, Augie Bruno, Al Coelho, Bill Fischer, Rudy Furman, Rudy Glick,

Greg Hine, Ken Jochim and Arnold Peckar for their efforts.

President Hine reported he had spoken with a member of the Crosswind RC Club from Parker and we will be setting up a get together with them in the Spring.

Nothing new to report on the CU Aerospace Telemaster trials.

Al Coelho, Rich Anderson and Jay McDonald successfully installed the rain gutter over our new sign at the field. THANKS guys!

New Business

An audit committee will be meeting shortly and their report is expected next month.

A discussion was held concerning potential upcoming BAS events. The picnic has been scheduled for Saturday, July 26th. We KNOW the cuisine will be fabulous. The flying events have not yet been finalized as there were some suggestions to hold 2 other flying-only events. Tentative dates for these events have been selected as Saturday, June 7th (our Spring Takeoff) and Saturday, October 4th (designated our Fall Finale). Decisions on the June and October events may dictate what happens at the picnic. In order for the 2 'fly-ins' to be successful, volunteers are needed to organize and coordinate. Please express your interest in volunteering to Greg or plan to attend the March meeting for discussion. Details for the Spring work day will also be finalized in March.

For those of you with some free time, there will be a show of the USAF Thunderbirds to be held in at Frontier days in Cheyenne, WY on Wednesday, July 23rd. We'll have more details as they become available.

President Hine enjoyed a dinner with AMA officers Dave Mathewson (recently elected President), VP Mark Smith (District IX rep) and Executive Director Jim Cherry. VP Smith indicated he may visit Chandler Field during his travels in August.

Adjourn

A motion to adjourn was made by Al Coelho and seconded by Tony Kilwein.

Respectfully submitted,
Augie Bruno

Club Dues are DUE!

If you haven't paid your club dues already, note that they are due as of January 1st. Please remit your dues payment along with this sheet (or equivalent information) **and a copy of your current AMA card** to our treasurer, either at the club meeting (Mar 12th) or by mail to:

Make checks payable to "Boulder Aeromodeling Society" or "BAS".

Boulder Aeromodeling Society AMA Chartered Club #906 ***Membership Application***

ANNOUNCEMENTS

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.

New Website and Webmaster

Mike Gulizia has taken over webmaster duties after years of faithful service by Boris Sergeev. The website has also been permanently moved to its new address at <http://www.boulderaero.org/>. Check it out!

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.
