### FIELD WORK DAY

*May 13, 2006, 9:00am (Alternate on May 20<sup>th</sup>)*  
 Some of the planned maintenance issues include: repairing the safety fences, mowing the infield, trimming the grasses, and painting the tables and benches. Bring any tools or equipment needed to help complete to job.

CLUB MEETING: *May 10, 2006 at 7pm at VoTech (across Arapahoe from the power plant)*

### BAS MEETING MINUTES

Boulder VoTech Center  
 April 12, 2006

Meeting called to order by president Rich Anderson at 7:05 pm. There were 24 members and guest present.

#### **Minutes**

Rich Anderson asks for and received approval of last month's minutes as they appeared in the newsletter.

#### **Old Business**

Rich Anderson reported that the contract with the city has been approved and signed. The new agreement is for 3 years.

#### **New Business**

The date of the field work day has been finalized as Saturday May 13, starting at 9:00am.

The following members have agreed to bring necessary equipment to complete the job:

*Bob Franklin:* Painting

*Dean Chandler and Rich Anderson:* Spraying

*Augie Bruno, Rich Anderson and Dean Chandler:*  
 Weed whackers and mowers

*Rudy Glick:* Fence repair

We can use all the help we can get for the field work day, so even if you're not on the official "hit list", please join us on Saturday to lend a hand. A strong turnout of people would make short work of these tasks.

Greg Hine stated he would check with Dale Rooney on a bulk purchase of fuel for the club members.

A motion by Dean Chandler and a second by Augie Bruno for the Club to purchase raffle tickets to help sponsor the US team at the F4B and F4C scale contest in Sweden this year. The motion was voted on and passed.

## **Show and Tell**

Usually our show and tell focuses on planes and not people, but our honored guest speaker for the April meeting was retired Air Force Colonel Bill Bower. He is one of the two remaining pilots of the 20 the Army had trained for the mission to bomb Tokyo. There were 16 B-25 bombers on the mission commanded by Colonel James Doolittle. This raid on Japan in April 1942 became one of the best known of the war. Bill gave an interesting account of what took place on preparing and executing the mission. Well done, Bill.

Bill Bower speaks to the Boulder Aeromodelers about his experiences in Japan and beyond.

## **Adjourn**

Motion to adjourn by Jerry DePoorter with a second by Dean Chandler. Motion passed.

Respectfully submitted,  
Rudy Glick

## ANNOUNCEMENTS

### **From The Editor**

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

### **FIELD PARKING**

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.**

All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.

### **CLUB DVD LIBRARY OPEN**

The Club DVD library is open:
