CLUB MEETING: *May 9th, 2007* at 7pm at
HobbyTown Longmont

FIELD WORK DAY: *May 12th, 2007* at
Chandler Field

BAS MEETING MINUTES

HobbyTown Longmont
April 11, 2006

Meeting called to order by President Rich Anderson At 7:04 pm with 16 members present.

Treasurer's Report

Treasurer Ken Jochim reported the following:

BAS Checking	\$3218.05
Field (runway) Fund	\$8150.30
Jr. Training Fund	\$2242.75
Total	\$13611.10

Old Business

Rich asked for a motion to accept last month's meeting minutes as they appeared in the last newsletter. Motion by Boris Sergeev, with a second by Russ Larsen, to accept minutes. Motion voted on and passed.

When the gravel was being delivered during the recent field work day, it was determined at the time that the two loads planned were going to be insufficient to cover the lot, and an additional third load was brought in while the equipment was available. Motion by Al Coelho, with a second by Greg Hine, for the club to pay for the third load of gravel. Motion voted and passed. Rich thanked Dean Chandler for the use of his equipment in spreading the gravel. He also thanked Ken Miller and Al Coelho for their help on the purchasing of the gravel. Rich Rooney was

thanked for his attention to details on taking care of the clubs porta-john.

James Mack stated that a report would be forthcoming on the status of the Mal Meador youth program. Also note that the club fun-fly picnic date has been finalized as Saturday July 14.

New Business

Motion by Rich Anderson with a second by Ken Jochim to replace the existing plastic snow fence on the north side with an 8ft extension to the east with chain link fence. More discussing led to Arnold Peckar making an amendment to the motion to stating all the plastic snow fence at the field to be replaced with chain link fence. Motion voted and passed unanimously. The field work day will be on Saturday May 12, with a rain date of Saturday May 19.

Rich Anderson made announcements of events being sponsored by other clubs in the area. He also thanked Herb Wiedeman for his donation to the club of model supplies and equipment. Some items were given to club members, but most will be taken to the LAMA club auction with proceeds going to our club.

Show and Tell

Greg Hine displayed a wing rack he made for his van. It is a collapsible rack for easy storage and transport covered with foam so as to not damage the model. Rack will hold several wings. Nice work Greg.

Adjourn

Motion by Al Coelho, with a second by Russ Larsen, to adjourn the meeting. Motion voted and passed.

Respectfully submitted,
Rudy Glick

ANNOUNCEMENTS

OSPREYS ARE BACK!

The Ospreys are back and it's nesting season again. **We need to be careful not to fly in the Northwest section of our flying field.** It has been suggested that we use the East side of the shelter as an imaginary line running North and South as a boundary for flying North of the parking lot. Let's not fly in this NW quadrant of our flying space 'til the Ospreys head south in the fall.

New Club Website and Email Addresses

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the web-page by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to officers@boulderaero.org will be sent to the current club officers, and mail sent to club@boulderaero.org will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying.*

UPCOMING EVENTS

May 19th, 2007
