CLUB MEETING: *November 14th, 2007 at 7pm at
HobbyTown Longmont*

BAS MEETING MINUTES

HobbyTown Longmont
October 10, 2007

Meeting called to order by president Rich Anderson at 7:01 PM with 15 members present.

Rich asked for a motion to accept September meeting minutes as they appeared in the last newsletter. Motion by Arnold Peckar with a second by Tony Kilwein to accept minutes. Motion voted and passed.

Treasurer's Report

Treasurer Ken Jochim was not present.

Old Business

Rich mentioned we still have a few club caps left for sale.

In the absence of James Mack, Rich reported the Mal Meador youth program has two active young people one of which is about to solo. Thanks were given to Al Coelho for his nice work on making a protective frame for the club sign.

Discussion was held on obtaining insurance for the flying field improvements. Ken Jochim checked with the AMA and they only provide liability insurance. Rudy Glick will check on cost for insurance for shelter and other improvements at the field.

New Business

Beware of the rattlesnake hazard at the field. Rich again asked for nominations for club officers for upcoming year. No volunteers or action taken.

Lee Sturgeon donated several modeling items to the club. The more expensive items will be auctioned at the LAMA auction Saturday October 20th, check in time 8:00 AM.

Wendell Wickstrom reported on Glen Miller and his struggle in trying to recover from his latest illness. Rich reported the chain gate at the lake will be accessible with a club lock. We will be able to unload at the beach but will have to park in the adjacent parking lot.

Show and Tell

Wendell Wickstrom showed pictures of an event he attended in Columbus Ohio, Great Mustangs Legends. Being a P-51 admirer he was impressed with the air show.

Arnold Peckar give a talk on the Cessna 195 of which he is a proud owner. He attended a gathering in Wichita KS, which is the birthplace of the 195. He stated there were 1100 built, and the four to five hundred still flying are now for the most part considered as classics.

Adjourn

Motion to adjourn by Dean Ehn with a second by Arnold Peckar. Motion voted and passed.

Respectfully submitted,
Rudy Glick

ANNOUNCEMENTS

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.

UPCOMING EVENTS

No events currently listed. Send submissions to the editor at jmack@jmack.net.
