Old Business

James Mack reported the youth program has two active participants Alex and Lucas. Alex who was at the meeting stated the program is great!

Boris Sergeev reported on the cost of plastic for the club sign. He stated the cost in Denver as \$147.00 versus the cost in Boulder of \$159.00. A discussion followed on the plastic cover for the sign. A motion by Jay McDonald with a second by Alex Bozanic to proceed with the covering of the sign. Motion voted and passed. The plastic will be picked up by Ken Jochim and Al Coelho has volunteered to make a wooden frame to hold the plastic covering.

A discussion was held on insurance for the improvements at the club field. It was stated that flammable material should not be left at the field. Ken Jochim will check with the AMA to see for sure if our club has some insurance coverage.

ANNOUNCEMENTS

Snake!

It might have been an isolated occurrence, but a rattlesnake was seen inside the shelter on Friday, October 5th. Greg Hine sent the following photo.

New Club Website and Email Addresses

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the web-page by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to officers@boulderaero.org will be sent to the current club officers, and mail sent to club@boulderaero.org will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.

UPCOMING EVENTS

No events currently listed. Send submissions to the editor at jmack@jmack.net.
