CLUB MEETING: *September 13, 2006* at 7pm at
Chandler Field

FIELD WORK DAY: *September 16, 2006* starting
at 9am at **Chandler Field**

BAS MEETING MINUTES

Chandler Field
August 9, 2006

Meeting called to order by President Rich Anderson at 7:00pm, with 13 members and one guest present.

Old Business

Motion made by Tony Kilwein, with second by Dean Chandler, to accept last month's meeting minutes as they appeared in the last newsletter. Motion was voted and passed.

Treasurer Ken Jochim reported a bank balance of \$10132.84.

Rich Anderson gave thanks to the members of the club who made our fun fly day a success. It was reported we had 49 people at the event.

Rich also thanked Tony Kilwein for purchasing 8 new chairs for the field. These new black chairs are much sturdier and safer than the old whites ones we had previously. Rich reported that changing the parking configuration at the field would not take place until we have our contract with the city renewed.

Rich mentioned that the city is requesting waivers from event participants who spend time in the area surrounding the airfield due to the presence of plague in the area. Rich provided members of the August 12th pylon race with the necessary waiver forms.

CU will be using the field from 10:00am until noon on August 15th for an outreach project with area high school students.

New Business

Tony Kilwein agreed repair the damaged flight station fence.

On September 16th, starting at 9:00am, we will be having a workday for the club. The main effort will be to prepare the shelter house for painting.

Dean Chandler and Rich Anderson will spray weeds one more time this year.

Rich Anderson gave thanks to Joe Cowan, the owner of Hobby Town USA in Longmont, for letting us use his building for our future meetings. Remember, meetings in October and beyond will be held at the new HobbyTown location.

Motion by Augie Bruno, with a second by Ken Jochim, to investigate and report back to the club on an upcoming model exhibition. The exhibition will be held at the Wings Over the Rockies Museum on February 10, 2007. Motion voted and passed. Ken volunteered to do the investigation and report back to the club.

Show and Tell

Rich Anderson displayed a bottle of Dawn Power Dissolver he claims cleans your dirty engine with ease.

Adjourn

Motion to adjourn by Jerry DePorter, with a second by Tony Kilwein, voted and passed.

Respectfully submitted,
Rudy Glick

OUT AND ABOUT

A Modern Abbott and Costello

Courtesy of Rich Anderson

If Bud Abbott and Lou Costello were alive today, their infamous sketch, "Who's on First?" might have turned out something like this:

COSTELLO CALLS TO BUY A COMPUTER FROM ABBOTT

ABBOTT: Super Duper computer store. Can I help you?

COSTELLO: Thanks. I'm setting up an office in my den and I'm thinking about buying a computer.

ABBOTT: Mac?

COSTELLO: No, the name's Lou.

ABBOTT: Your computer?

COSTELLO: I don't own a computer. I want to buy one.

ABBOTT: Mac?

COSTELLO: I told you, my name's Lou.

ABBOTT: What about Windows?

COSTELLO: Why? Will it get stuffy in here?

ABBOTT: Do you want a computer with Windows?

COSTELLO: I don't know. What will I see when I look at the windows?

ABBOTT: Wallpaper.

COSTELLO: Never mind the windows. I need a computer and software.

ABBOTT: Software for Windows?

COSTELLO: No. On the computer! I need something I can use to write proposals, track expenses and run my business. What do you have?

ABBOTT: Office.

COSTELLO: Yeah, for my office. Can you recommend anything?

ABBOTT: I just did.

COSTELLO: You just did what?

ABBOTT: Recommend something.

COSTELLO: You recommended something?

ABBOTT: Yes.

COSTELLO: For my office?

ABBOTT: Yes.

COSTELLO : OK, what did you recommend for my office?

ABBOTT: Office.

COSTELLO: Yes, for my office!

ABBOTT: I recommend Office with Windows.

COSTELLO: I already have an office with windows! OK, let's just say I'm sitting at my computer and I want to type a proposal. What do I need?

ABBOTT: Word.

COSTELLO: What word?

ABBOTT: Word in Office.

COSTELLO: The only word in office is office.

ABBOTT: The Word in Office for Windows.

COSTELLO: Which word in office for windows?

ABBOTT: The Word you get when you click the blue "W".

COSTELLO: I'm going to click your blue "w" if you don't start with some straight answers. What about financial bookkeeping? You have anything I can track my money with?

ABBOTT: Money.

COSTELLO: That's right. What do you have?

ABBOTT: Money.

COSTELLO: I need money to track my money?

ABBOTT: It comes bundled with your computer.

COSTELLO: What's bundled with my computer?

ABBOTT: Money.

COSTELLO: Money comes with my computer?

ABBOTT: Yes. No extra charge.

COSTELLO: I get a bundle of money with my computer? How much?

ABBOTT: One copy.

COSTELLO: Isn't it illegal to copy money?

ABBOTT: Microsoft gave us a license to copy Money.

COSTELLO: They can give you a license to copy money?

ABBOTT: Why not? THEY OWN IT!

(A few days later)

ABBOTT: Super Duper computer store. Can I help you?

COSTELLO: How do I turn my computer off?

ABBOTT: Click on "START".....

ANNOUNCEMENTS

Watch the Osprey Nest!

The ospreys have nested again this year on the dummy telephone pole erected by Boulder Parks northwest of the field. Please try to avoid flying or disturbing the ospreys, especially in August and September when the young chicks are learning to fly.

Flying Field Hours Clarification

The question of the flying field hours was recently brought up, partly because the old hours were established when we were in much closer proximity to our neighbors and electric powered models were almost unheard of. Although it seems logical that one could fly a quiet model outside of established flying hours without disturbing anyone, club members are advised not to do so. Our agreement with the city explicitly states our flying times, and we have been unsuccessful in re-negotiating these times in the past, so it's in the best interest of the club members to stick to the current hours.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.**

All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying*.
