CLUB MEETING: *September 12th, 2007 at 7pm at Chandler Field*

BAS MEETING MINUTES

Chandler Field
August 8, 2007

Meeting called to order by President Rich Anderson at 7:03 PM. 20 members present with one guest, Joe Sanfelippo. Welcome Joe.

New members Tony and Alex Bozanic were introduced and welcomed to the club.

Rich asked for a motion to accept last months minutes as they appeared in the last newsletter. Motion by Jay McDonald to accept the minutes. Motion voted and passed.

Treasurer's Report

BAS Checking	\$3022.60
Field (runway) Fund	\$8037.70
Jr. Training Fund	\$924.62
Total	\$11974.92

Old Business

Rich thanked Augie Bruno and Rudy Furman for their effort towards making a successful fun fly.

Mike Farnsworth reported that the cost to put a protective plastic sheet on the club's new sign would be between \$159.00 and \$244.00, depending on the type of plastic used. A discussion followed if we should pursue it further. Motion by Wendell Wickstrom with a second by Jay McDonald to drop the purchase of the protective cover. Motion voted and defeated. Boris Sergeev will check with a different vendor in Denver to see if the plastic can be purchased for less cost.

New Business

Lee Sturgeon has donated a high wing trainer, engines and model supplies to the club. Items that can be used for the Mal Meador youth program will be utilized as such. The remainder of items will be sold at the next auction, with the proceeds going to the club treasury.

Dean Chandler Reported on Glenn Miller's recovery from a broken hip. Get well, Glenn.

Rich reported that the City of Boulder would no longer pick up trash at the field. A discussion followed. It was agreed that the best approach would be to have members take with them any trash they generate at the field, because the club is currently unable to find or pay for trash service in the airfield area.

Motion by Rich Anderson with second by Dean Chandler to remove trash barrels from the field. Motion voted and passed.

Adjourn

Motion to adjourn by Jerry Deporter with a second by Wendell Wickstrom. Motion voted and passed.

Respectfully submitted,
Rudy Glick

ANNOUNCEMENTS

OSPREYS ARE BACK!

The Ospreys are back and it's nesting season again. **We need to be careful not to fly in the Northwest section of our flying field.** It has been suggested that we use the East side of the shelter as an imaginary line running North and South as a boundary for flying North of the parking lot. Let's not fly in this NW quadrant of our flying space 'til the Ospreys head south in the fall.

New Club Website and Email Addresses

The club has registered a new Internet domain name, boulderaero.org. This means that you can now access the webpage by going to <http://www.boulderaero.org/>. The old address still works fine, too. Additionally, two new email lists have been set up. Mail sent to officers@boulderaero.org will be sent to the current club officers, and mail sent to club@boulderaero.org will be sent to the most current club membership list. Please use the club address carefully; it goes to all club members and isn't intended for discussion.

Club Hats Available

The club has received its order of hats with the club logo. Hats are \$12 each and are available in blue/white or red/white. Contact Ken Jochim or come to a club meeting to learn more.

From The Editor

I am going to try to keep a calendar of upcoming events in the newsletter in the "announcements" section of the newsletter. Please let me know if you have any local events I have missed.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying.*

UPCOMING EVENTS

No events currently listed. Send submissions to the editor at jmack@jmack.net.
